

POOLAPALLY SHIVA PRIYA

B.Tech - Electronics and Communication Engineering
shivapriyapoolapally@gmail.com
Hyderabad.
Contact Number:9490346743

Experience

Jun'19	Internship 1: PCB Designing at NSIC <ul style="list-style-type: none">PCB Designing is used to develop circuit boards with complete hardware structure on one single board.This designing reduced the complexity of the circuit and make the circuit connectivity easy.Used PADS framework for designing the board.
Jun'19-Dec'19	Project 1: Clap Switch using IC 555 timer <ul style="list-style-type: none">Developed a hardware circuit which makes LED to glow when we clap.Worked with team size of 3.The main components used are Condenser Mic, IC 555, Transistors.
Feb'20-May'20	Project 2: Weighted Hybrid Machine Learning technique to predict Rainfall for Hyderabad. <ul style="list-style-type: none">Developed a code using multiple algorithms for prediction of Rainfall.Worked with team size of 3.Dataset of past five years (2015-2019).The Software used is Jupyter notebook using python.

Education

2016-20	Vidya Jyothi Institute of Technology Bachelor of Technology, Electronic and communication Engineering	82.60%
2014-16	Narayana Junior College 12 th (Senior Secondary Examination)	94.20%
2013-14	Narayana Concept School 10 th (Secondary Examination)	9.5/10

Technical Skills

Languages	C, CORE JAVA, SQL and MASAM.
Tools	Keil, matlab and TINA.

Interpersonal Skills

- Effective presentation skills.
- Determined ability to work in a team.
- Problem solving skills and Communication skills.
- Focused towards work

Additional Information

- Antenna Workshop/Seminar, by a guest lecturer NIT Warangal.
- Entrepreneurship Development Cell.
- Women Rock IT webinar by CISCO.
- Vidya Jyothi Institute of Technology 2016- participated in SPEED.
- Hobbies include -Playing Badminton.
