PROFESSIONAL EXPERIENCE

Nutrition Officer

May 2019-Jan 2021

Nestlé India Ltd., Chennai

- Joined with Nestle India Ltd. as Nutrition Officer-Trainee on May 2019 and confirmed as Nutrition Officer in Dec 2019
- During my period in Nestle, I covered two different business territories in Chennai:
 1. Porur-Poonamalle (May-Nov 2019) during my trainee period
 2. Upon confirmation in services of Nestle India as Nutrition Officer, I was assigned Tambaram Territory from Dec 2019- Jan 2021.
- My basic data list consists of 100 doctors mostly pediatricians and 40 Parameds
- My role is to liaise and provide accurate information to Health Care Professionals about Nestlé's Infant & Toddler Nutrition Products, their features, advantages, benefits and to generate demand for the same.
- To meet other stakeholders like pharmacists, Distributors to ensure the product availability in the market at all times.
- To conduct various engaging events and programme's for Doctors, Parameds and other Hospital Staffs to describe the effectiveness of the Nestle products thereby ensuring the business growth.
