ACHIEVEMENTS : Our research paper on final year project got officially accepted for publication in IEEE digital library

HOBBIES AND INTERESTS : Learning new programming languages , Participating in Tech Events & Fests.

FINAL YEAR PROJECT : Project Name —Recognition of Handwritten Word Images : Handwriting recognition is defined as a task of transforming a language represented in its spatial form of graphical marks into symbolic representation. Purpose of pattern recognition is to identify, classify and retrieve documents (data) related to the identified pattern. The process involves :

- Data Acquisition
- Image processing
- Feature extraction
- Model Training
- Result Analysis
