PROJECT PROFILE :

Project Name: CIP(Community intervention program)

Project : GCC(Greater Chennai Corporation) Covid-19

Description:

In a move to control the spread of COVID-19 in the slum areas and densely populated areas, the Greater Chennai Corporation has launched a Community Intervention Programme (CIP) in the city. The outreach workers would enquire the family members about their symptoms and they would assist the civic body in transporting infected persons to hospitals or institutional quarantine centres. "A range of activities such as street play, puppet show, auto campaign and others were conducted demonstrating hand washing and other prevention methods," the release added. Also, for every 150 households, one outreach worker is responsible for following the family on a daily basis to detect symptoms.
