## INTERESTS

Investing analysis  
Stock Trading  
Computer networking  
Travelling & reading books  
Volunteer work

## PROJECTS

- **New Product Launch:** A project in which me and my group launch a new product in our college. That product was a pen shaped scanner and printer.
- **Control of house appliances by using smart phone:** A smart phone-based home automation system focuses on controlling electronic devices whether inside or outside the home.
- **Product Launch:** In that project my team was launched a product on proposed idea in our college campus. And that was a type of fuel in exchange of Diesel and Petrol with a lower cost.

## Internship

- I've done two months of Summer internship in the Karvy Stock Broking Limited.
