**Career Objective:** To work for an organization where the environment is good for self-growth and growth of the organization.

**Overall Professional Experience:-** 4.2 Years

**Experience Summary :-**

- **Company:-Deloitte India.**
- **Period: Feb-2019 to Till Date.**
- **Role: Senior Fiber Engineer.**
- **Area: Akola &Beed, Maharashtra.**

**Responsibilities:-**

- Project Management, Supervision, Planning, designing. Coordinate with Vendor Team Related to Optical Fiber Cable Work, Project Monitoring, Project Reporting (collecting information from Vendor team with regards to project scope), Project Coordination along with all Stakeholders, Attending meetings with all the required stakeholders, Issue Resolution& ROW Approvals.
- **Implementation:-** Route Survey, Material Delivery & Inspection, Optical Fiber Cable Laying(Underground &Aerial )
- 1)Underground:-Trenching ,Ducting ,Backfilling ,Cable Blowing ,Installation of Chamber , Placement of OFC route electronics indicator &Markers, OFC splicing and splice-loss measurement with OTDR&LSPM. Installation of FDMS &Termination OFC at FDMS, Active Electronic setup.  
2)Aerial:-Placement of ADSS Cable on Existing Pole to Pole ,Erection of New Pole ,Pole to Building and Building To Building .Splicing And As built drawings(ABD).

- **Company:-Reliance Jio Infocomm**
- **Period: Sep-2018 to Feb-2019.**
- **Role: DET.**
- **Area: Nanded**

**Responsibilities:-**

- MW installation and Radio commissioning, integration and Maintenances.
- Responsible for Material management for CMP location of MW sites, Checking delivery of material at sites and to tracking records of the same.
- Maintenance & Troubleshooting of Intracom microwave NEC equipment (SDH& PDH)
- Installing, supervising, Quality Audit and alarm rectification of sites.
- Heading subcontractors to perform pre ATP of site.

- **Company :-CHETANA ENTERPRISES,NASHIK**
- **Period : April-2016 to Oct-2018**
- **Role: Fiber Engineer.**
- **Area: Nashik**

***Responsibilities:***

- Laying an OFC for intracity & NLD routes with trenching & Ducting as per specifications.
- Trenching, ducting and laying of OFC cable. DIT, cable blowing, MH&HH installation.
- Splicing of **ribbon** fiber 48F, 96F, 288F. OTDR traces of the new link with LSPM etc.
- Completion of measurement sheets of T&D, DIT, blowing, and handover to the respective vendor in time.
- Survey of new P1, RP1,colo sites for connectivity. Connect new site with proper fiber planning etc.

- **Company:-SANJANA TELECOM , NANDED**
- **Role: Field engineer.**
- **Period : Since-June-2015 to April-2016**
- **Area:-Latur, Udgir, Nanded.**

***Responsibilities:***

- Do the route survey, licensing and ROW permissions from concern authorities like NHAI, SH, FOREST, MUNICIPAL CORP etc.
- Laying an OFC with Trenching, Ducting , DIT, Cable blowing etc. Material store and reconciliation etc

**Technical Knowledge:**

- Knowledge of Splicing Machine (Fujikura 50S, Fujikura 60S, etc), Fiber termination, OTDR (JDSU), (LSPM) Power Meter-Laser Source testing, Live Fiber Identifier etc.
- Customer connectivity FTTX, FTTB, etc.
- Complete knowledge of the fiber project specifications (Underground and Aerial) i.e. trenching, ducting, HDD, Protections Depth AT.
- Stringing and Placement of ADSS Cable on Existing Pole to Pole, Pole to Building and Building to Building and Erection of New Pole as per Specifications, Specifications for Chambers, root Markers, DIT, Drum test report etc.
- End to end fiber link testing, Route AT etc.
- Complete Knowledge of ITP Filling Trenching, Ducting, Backfilling, Chambers, DIT, Cable Blowing etc.
- Complete Knowledge of As built drawings(ABD) encompassing trench, duct, splice chambers, route and joint indicators ,OF cable, route index diagrams, make and size of cable, off-set from center of road, type of protection, depth and size of chambers amongst others and GIS data.
- Complete Knowledge of MW installation and Radio commissioning, Link, integration, Quality audit and Maintenance.
- Complete Knowledge of UBR Installation And Commissioning, Integration, ATP And Quality Audit.

**Educational Background:**

Course	Board	Year Of Passing	Percentage (%)
B.E.(E/C)	DR.B.A.M.U. Aurangabad	2015	Ist(69%)
HSC(12 <sup>th</sup> )	MH Board	2011	Ist(64%)
SSC(10 <sup>th</sup> )	MH Board	2009	Ist(74%)

**Strengths:**

- ❖ Willing to take initiative and lead to motivate and help team members to improve their performance.
- ❖ Sound Professional and keen desire to take on responsibilities.
- ❖ Willing to accept challenges and produce timely work with a high level of quality.

**Personal Information:**

**Name** : Avinash Mahadev Survase

**Date of Birth** : 12 July 1993

**Marital Status** : Unmarried

**Language Known:** English, Hindi, Marathi

**Place** : Ambajogai, Beed

**Declaration:**

The information furnished above is correct and true to the best of my knowledge.

Date:

Place:- Ambajogai.

Yours Faithfully,  
Avinash Survase
