PROFESSIONAL SUMMARY

To be a successful engineer by utilizing my knowledge and skills to innovate new ideas and giving them a concrete shape. Knowledge is for real world application and so I wish to build an environment perfect for growth with space form learning.

TECHNICAL COMPETENCIES

C++ | Solidworks | MS office | Autocad
| Blender

INTERPERSONAL SKILLS

Helpful | Positive Attitude | Decision
Making

INTERESTS & HOBBIES

Travelling | Watching movies | 3d Art

LANGUAGES KNOWN

English | Hindi | Punjabi

PERSONAL DETAILS

Mother's Name: Sheetal
Father's Name : Purshotam Lal
D.O.B: 24.08.1999
Marital status: -single

EDUCATION

Bachelors in Mechanical Engineering | Chandigarh University, Gharuan
Session: 2017-2021 | Score: 7.5 CGPA

Intermediate (CBSE) | Kendriya Vidayalya Nangal Bhur , Punjab
Session: 2016-2017 | Percentage: 77%

Matriculation (CBSE) | Kendriya Vidayalya Nangal Bhur , Punjab
Session: 2014-2015 | Score :10 CGPA

TRAINING & PROJECTS

Kartar Agro Industries Pvt. Ltd

- Testing of Cutter Gear of Combine (6 weeks)
(18 May 2019 – 15 July 2019)

Project undertaken

- **Thermoelectric cooling system**
(It is used to cool the system using dc voltage on Peltier module)
- **Open Noise cancelling system**
(It uses the amplifier that help to increase the reverse of noise produced in system to cancel the noise)
- **Gear less transmission system**
(It is used to transmit the from one to another at right angle without any gear)
- **Electromagnetic braking system**
(Electromagnetic brakes slow or stop motion using electromagnetic force to apply mechanical resistance)

ACADEMIC ACHIEVEMENTS

- Python Programming, Chandigarh University
- Java Programming, udemy
- Fundamentals of digital marketing ,Google

EXTRA CURRICULAR

3d modelling arts
