1/25, Khernagar Shri Ram C.H.S., Khernagar, Bandra East, Mumbai - 400051, India

21 July, 1996

Building a career in a growing company thus embracing challenges and achieving corporate goals so that I can have opportunities to prove my ability. I'm very inspired to learn new things and look forward to it. I believe I have the ability to work hard both individually and as a part of a team. Looking forward to a competitive future with a progressive company providing an opportunity to capitalize on my skills & abilities in engineering and management.
