OBJECTIVE

"As a student of Urban Planning, I am looking for a firm which will help me in my growth as a visionary designer & planner, as well as, a better individual. I want to explore and experience all the dimensions of the professional world of planning & creativity, so that I can make best use of my exposure that the opportunities provide me and build up my overall abilities to enable me to make better and strong decisions in my life professionally as well as individually. I want to experiment with my skills and newfangled creative abilities under expert guidance. Working, experiencing and learning everyday is a motto that I abide by. The sheer desire to bring about my prime worth out is what I seek to find in a firm."
