Experience

Internship Program

Acharya Institute of Technology • BANGALORE, Karnataka
03/2021 - 04/2021

I completed my Internship from Acharya Institute of Technology under the guidance of my professor's. The topic of my internship was "A brief introduction to the working & design of Electric Vehicle". The internship was held for around 5 weeks. In this internship we got to learn from the scratch about the working procedure & designing of Electric Vehicle & along with this we were trained about the Chassis design, Selection of Battery pack, AutoCAD, MotorCAD & software simulation in brief. Overall it was a great experience.
