Technical Skill Set:

Programming Languages : C, Core Java

Web Technologies : HTML, .NET

Query Language : SQL

Operating system : Windows

Applications : MS Office

Project:

Project Title: GENERATING ID CARD FOR COMMUNITY POLICE OFFICER

Description: The community police officer should approach the nearest police station to join into their community. First they should register their details in the website then; the officer will verify the details of the CPO and then approves and passes it to higher authority. The authority will verify the details and gives permission to issue the ID card with QR-code in it. When a person checks the id card of CPO by scanning it all the details of the CPO will be viewed if the details are not retrieved we come to know that he does not belong to police community. **Achievements:**

- Won prize in Technical Quiz event at Sreenivasa Institute of Technology and Management Studies

Extra Curriculum Activities:

- Won prize in short film at college event
- Participated in Technical events at Sreenivasa Institute of Technology and Management Studies

Strengths:

- Flexibility and adaptability to work in any environment.
- Willingness to accept any challenge irrespective of its complexity
- Ability to work as individual as well as in group
