Projects:

- Done a mini project titled as "DESIGN OF MICROSTRIP PATCH ANTENNA USING ADS SOFTWARE".
- Done a final year project on "MICROSTRIP CIRCULAR PATCH ANTENNA FOR SKIN DETECTION CANCER".
- Done a SalesForce project with Intelogik solutions named as" ONLINE INSURANCE".

PROJECT:

I have done one projects on training for Intelogik Solutions.

One of my project named as Online Insurance.I am working on the project from 09-11-2020 to 24-12-2020

Pure Insurance is our client, which is a very famous insurance company and they are having lots of insurance Business-wise like Health Insurance, Medical Insurance, term insurance etc. and they are having various agents and are having various policies. They are using Salesforce to run their project and in that project I am working as a part of this project.

DESCRIPTION:

We have objects like Policy agent details, Policy Holder Data, Life Insurance, Motor Insurance, payments,and like this, we have various objects.Then I worked on setting this project data modeling relationship. I created the table structure and worked on what should be the relationship between them.

We have various modules in the project-

1)   Agent Registration Form

2)   Policy Holder Registration Form

3)   Admin Form

4)   Agent Form

5)   Policy Holder Form

1)   **Agent Registration Form**- It gives the information like Name, Password, Acc No, Bank, Age, etc.

2)   **Policy Holder Registration Form** – It gives information like Name, Password, organization, occupation, address, etc.

3)   **Admin Form**- Admin has rights to view all agent and policyholder information.

First admin enter,their name and ID then they will get access.

Admin have right t view, modify, delete and insert they policy, policyholder and agent.

4)   **Policy Holder Form** – This module is used by the policyholder. They can view their won details.

when login into policy Holder Module.

The objects and fields which we have used in those fields are:

1)   **Agent** – Name, ID, Gender, Phone, Email, Address

2)   **Policy Holder** – Name, ID, DOB, Gender, Phone, Email, Address, occupation, Income

3) **Life Insurance** – It is lookup with Agent and Policy Holder.

Policy Holder Name, Agent ID, Premium amount, No of Terms, premium Type(Monthly/Half-early/Quarterly), Start Date, End Date, Due date (formula depends on premium type).

4) **Motor Insurance**- Lookup with Policy Holder and Agent.

Agent ID, Policy Holder Name, Motor Type, Color, Premium type, End Date, Start Date, Due Date.

5) **Payment**- Lookup with Life Insurance or Motor Insurance.

Premium the amount, paid date, life insurance, Motor Insurance.
