Objective

To apply my knowledge and academic learning to real world scenarios and get a global perspective in return and to learn and function effectively in an organization and be able to deliver to the bottom-line to constantly upgrade my knowledge and skills and make a difference in whatever I do. I'm looking forward to learn from all spheres of experience.

Experience

From: September 2019 – February 2020

Currently working in 'E-DAC (Proelium Learning Solution Private Limited)' as an Growth Partner.

- Manage all key accounts and high-profile customers and provide end to end services to them by establishing, maintaining relationship and retaining them throughout UP and parts of MP. Facilitated Completely accountable for taking care of all major aspects which includes but are not limited to teachers training, parents training, Classroom observations, program implementation, customer service and retention, data collection, cross selling and renewals of a premium curriculum company by EDAC.
- Conduct demos and provide per sales academic support to sales team members during entire sales process. Constantly coordinate with design team for updating the program material as per feedback received from the school.

From: November 2018 – September 2019

Worked in 'Milestone (S. Chand Group Company) Education Initiative Private Limited' as an Academic Consultant (Senior Trainer).

- Intensely engage in teachers training with some of the best private schools on Books, Labs and Digital solutions – Milestone books, Resource Kits etc.
- Provided clarifications, suggestions and answers to Milestone implementation related queries of the school and openly communicated issues & challenges in the schools.
- Closely engaged with teacher in transaction of modules developed by Milestone. Managed and guided the team of 4-5 members as a senior trainer. And helped in building relationship with schools and retaining partnership with client schools – who were using our products.
- Facilitated training workshops and seminars for Teachers and Parents. Sometimes also mentoring them.
- Supported for the implementing the curriculum, Improving teacher's skill basis experiential learning curriculum & training modules.
- Facilitated in sales of Maths Book, Maths Lab and Science lab by highlighting their Academic value during the Demos.

From: July 2016 – October 2018

Worked in Azim Premji Foundation as an Associate Resource Person at Pithoragarh, Uttrakhand.

- My roles and responsibilities with the foundation include; designing and managing research project, conducting surveys, working with community, content designing and effective transaction and facilitation of subject specific and other different kind of educational sessions which include the subject matter, its pedagogy and its connection to the aims of education.
