HOBBIES

- SWIMMMING: This is my favorite hobby, I have been into swimming since childhood and have won many certificates and open tournaments. I have been pursuing this hobby and growing in it in every season. This hobby freshens me up to the core.
- SKATING: This became my hobby when I saw my dad trying to skate and I started walking on his footsteps and learned a lot, I was famous in my school for both of these sports
- PROGRAMMING: Researching over topics and finding the error to the code online, uploading code to stack overflow.
- TRAVELLING: I love to travel and explore the new cultures and food of different cultures.
