Professional summary

To deliver the best out of me every time and everywhere in every possible way by utilizing my skills and knowledge for enabling me to grow as well as to accomplish the organizational goals.

SKILLS

TECHNICAL SKILLS

- Excellent knowledge in Python, Java, C++
- Very good knowledge in AutoCAD, CATIA and Ansys
- Very good knowledge in MS Office
- Good knowledge in coding

PERSONAL SKILLS

- Good oral and written communication skills
- Basic knowledge in computer operating skills
- Excellent typing speed
- Ability to work as a team member

Industrial training

- HIET (Hindustan Institute of Engineering Technology) Aviation college
Aircraft maintenance training, flight simulator training in Smart Fly Advent, full featured advanced aviation training device
- CIPET (Chennai Institute of Petrochemicals Engineering & Technology)
Designing of aircraft components using CAD, ANSYS, CATIA and study on plastic materials and product development

Academic project

Title : Study of Downwash on Vertical Axis Wind Turbine using supersonic wind tunnel testing

Details : Analysis of downwash on vertical axis wind turbine has carried out by using supersonic wind tunnel testing has carried out and observed that the recovery rate of turbine is higher by varying angular position, compared to varying linear position of the turbine

EDUCATIONAL QUALIFICATION

Course	Institution	Board/University	Year of completion	CGPA/Percentage
B.E. Aeronautical engineering	KCG College of technology	Anna University	2021	7.36
Higher secondary	Nellai Nadar Mat. Hr. Sec. school	Matriculation	2017	78%
10 th	Hindu senior secondary school	CBSE	2015	77%

Personal profile

Father's name : Gopalakrishna Pillai K
Date of birth : 27/06/1999
Age : 22
Gender : Male
Mother tongue : Malayalam
Nationality : Indian
Linguistic abilities : Malayalam, Tamil, Hindi, English
