Career objective

To further my career in an organization and secure a company with the company that can benefit my current skills and knowledge of the company.

Academic performance

Course	Institute	University/ Board	Year of passing	Percentage
B.E (Civil engineering)	Jai Shriram Engineering college, Tirupur	Anna University	2020	70.6
HSC	Government HigherSecondary School, Palamedu	State Board	2016	61.3
SSLC	Government Higher Secondary School, Palamedu	State Board	2014	77.0

Area of interest

- Surveying
- Environmental management
- Estimation and costing
- Site work
- Planning and designing

Software proficiency

- Auto CAD
- Revit architecture
- Abaqus
- Google sketchup
- Stadd pro

Skills

- Be able to use office computer software such as MS office
- Good analytical and logical skills
- Be able to work independently or in a team

- Having good leadership quality

Projects

- Treatment of home water with natural coagulant by direct filtration method
Completed a project on topic of "Treatment of home water with natural coagulant by direct filtration method".
- Planning, Analysis and design of school building
Done a project on topic of "Planning, Analysis and design of school building"

Achievements and awards

- Awarded as "Best Paper" at SNS College of technology, Coimbatore.
- Won in "Typewriting English Junior" at august 2015 Madurai, District commerce institutes Association

Workshops attended

- Attended One Day National seminar on “**Alternatives for River sand in Construction, ASCON’18**” organized by ICI Salem Centre
- Attended One Day National Level Workshop on “**Field application in Geotechnical Engineering**” organized by Dr.N.G.P Institute of technology
- Attended a national one day seminar on “**Water Borne Diseases- Causes and its Prevention**” in Nandha Engineering College
- Attended One Day National workshop on “**Advanced concrete mix design**”
- Participated in the one day national level workshop on “**Advanced field techniques in geotechnical and structural engineering**”.
- Attended one day workshop on “**BIM concept**”. Attended one day workshop on “**Seismic resistant structures and its mitigation measures**”.
- Attended one day workshop on “**BIM concept using Tekla structures**”.
- Attended one day workshop on “**Total station**”

Paper presentation

- Presented a paper titled on “**Using ETP sludge and banana fibre in concrete**” in Dr.N.G.P collegesymposium
- Presented a paper titled on “**Effect of strength characteristics of natural fibres reinforced with allurial soil using natural admixtures**”

Other events

- Participated in **NOVA 2K19 – Project expo** at Jai Shriram Engineering College
- Displayed our project titled on **Waste water treatment plant model** in the project expo held at CODDISSIA.

Model creation

- Created the small scale model of **our collegebuilding** by using mount board

Industrial visits

- One day visit to “**Barani Hydraulics India Private Limited**” at Coimbatore in 2017

- One day visit to “**Ganesha concrete**” (Ready Mix Concrete Plant) on February 2018
- One day visit to “**Siruvani water treatment plant**” in 2019

In plant training

- Right Construction Company Tirupur Site work and field work Undergone a 15 days training at "Right Construction Company"
- Tirupur to learn about Site work and field work related knowledge.Highway Department Tirupur South Field work Undergone a twenty days training at "Highway Department" Tirupur South to learn about Site and field work experience

Personal details

- Date of Birth : 16.10.1998
- Linguistic proficiency : Tamil, English(R-W-S),Telugu
- Address : 1/1231 Abhiraminager 1st street
k. Chettipalayam
Tirupur

Place :

Yours faithfully,
