## NEW PASSION

- One of my new passions is photography. I always carry a camera in my bag whenever I travel. I always take pictures wherever I go, and some of them end up being crazy ones.
- I love when I watch movies that I know have a lot of video editing. I always love watching movies and seeing how much has been done to it, and to see if I can figure out how they did some of those effects. One day I want to be the person to make the special effect and video edit for something important.
