SUMMARY

Quality Management Professional with 5 years of work experience. I have strong analytical abilities and strategic planning skills to develop Quality Check Procedures with monitoring and examining of all the Inspections & testing of products. Pivotal in leading, mentoring & monitoring the performance of the team members to ensure efficiency in process operations and meeting of individual & group targets; creating and sustaining a dynamic environment that fosters development opportunities and motivates high performance amongst team members. I foray expertise in conducting Internal Audits for process & taking stringent quality measures including preparation and maintenance of documents ensuring compliance with ISO 9001:2015 standards and customer requirements.
