Profile

A result oriented professional with one year experience in an Engineering Consultancy and good exposure to the Management Consulting field. This is supported by a three-month internship at KPMG Bahrain. A quick learner and always working towards adding value to the company.

Professional Experience

Management Consulting Intern

Jul'19-Sept'19

KPMG Fakhro, Kingdom of Bahrain

KPMG provides audit, tax consultation and advisory services. I interned in the Management Consulting department of the Advisory service line.

Responsibilities

- Performed **data analysis** and undertook report writing for Cost of Doing Business Report for the Manufacturing and Logistics sector. The project was done for a government organization in Bahrain.
- Performed the **data analysis** and identified key insights from a consumer digital survey as part of a "thought leadership" on Consumer Digitization.
- Conducted **market research** and did **comparative analysis** and **benchmarking** of a university in Bahrain against other universities in the country and region who are providing similar courses.
- Drafted a proposal for a construction company in Bahrain.

Achievements: Amongst the **30 interns** I was the **only one** selected for the bonus award of 75BD(₹15,000). I also received a letter of appreciation from the Partner, Advisory, KPMG Bahrain.

Process Engineering Intern

Jul'16-May'17

Ingenero Technologies Pvt. Ltd, Maharashtra, India

Ingenero Technologies provides engineering services to engineering & manufacturing companies as well as operating services to support manufacturing plants across the globe

Responsibilities

- Led a team of three in the Quality check and control section of the company
- Participated in meetings for the commissioning of an industry in the USA
- Planned and drafted P&IDs for three plants for an industry based in the USA
- Did the sizing and quality checking of pressure control valves for the industry

Graduate Internships at :

- **Indian Oil Corporation of India, Gujarat, India** **Jun'15-Jul'15**
- **Gulf Petrochemicals Industries Company, Kingdom of Bahrain** **May'14-Jul'14**
