Professional Summary

My name is Sai Kiran Muddula and I Pursued my undergraduate Studies from Vels University, Chennai with an aggregate of 64.8%. I'm good at programming and interested to learn new and emerging technologies. I'm interested in working for an organization, where I can emphasize my skills to the best of my knowledge. I can produce the best quality output with a good team. During my Graduation, I worked with a team and started a **CODING CLUB**, a meetup to share the knowledge on new technologies and also share the internship or work experience of the students. I Received an admission offer to Pursue Master's Program at Fanshawe College, London, Canada. Unfortunately, I was unable to continue with the plans.

Skills

HTML and CSS

PYTHON

SQL
