

# ROSHIK RATHOD

---

Sai Ram Residency,Nagole, Hyderabad| +91 8919179133 | roshikrathod9@gmail.com

## Objective

Constantly working hard to improve my skills with consistency so as to match current requirements

## Education

2018 - 2022 (ongoing)	Bachelor of Engineering in Computer Science, MVSR Engineering College, Nadergul, Hyderabad.	6.7 GPA(current average)
2016 - 2018	Narayana Junior College,Hyderabad	905
2009 - 2016	Masters Grammar High School,Nagole	9.5 GPA

## Projects

### Quiz Game

Designed a quiz game which is a mobile and computer application which helps to develop general public understanding and generate respect for the rights and dignity of women and children.

### E-learning Web Application

I have developed the frontend for E-learning courses Dynamic Website which includes course management, course registration features. I have used bootstrap4 for frontend development and Django was used by teammates for the backend.

### 2D Endless Runner

I have designed a 2D endless runner game which includes a collection of coins and shows knowledge based information for every checkpoint in the game. I have used unity for the development of the game.

## Desktop Personal Assistant

I have designed a desktop personal assistant using python. The functions of this assistant are it gives updates of top 10 local to global news everyday, gives updates on weather from time to time, access the whole system to which it is connected. I have designed it using python by importing packages in visual studio which is a cross platform.
