

Ketan Totlani

Profile

Highly motivated to constantly develop my skills and grow professionally. I am confident of my ability to grasp new concepts and techniques to better improve my skills and prove to be an asset. I am currently working on developing my analytical skills and skills for web development, with prior experience in content writing making me one of the best candidates.

Work Experience

ROTON CONSULTANCIES PVT LTD

Process Associate (Content Writer), Sep 2019 - Nov 2019

- Word count per day had increased significantly with content that was quality measured.
- Better satisfaction of company clients.
- Some of the academic work included technical content writing about various programming languages and concepts.
- My job also included making diagrams like Business Process Model and Notation (BPMN) which were highly satisfactory.

Skills

- HTML,CSS.
- JavaScript.
- Angular.
- MongoDB,SQL.
- Increasingly better analytical skills.
- Content writing skills with MS Office Suite.
- Multimedia editing with tools like Adobe premiere pro.
