## CAREER OBJECTIVE

---

To obtain a position that will enable me to use my strong organizational skills, award-winning educational background, and ability to work effectively for the organization.

## EXPERIENCE

---

- **IDCUBE Identification Systems Pvt. Ltd.** 01/03/2017 - 14/09/2018  
Engineer- Technical & Projects

## EDUCATION

---

- **Invertis University, Bareilly**  
B.Tech (Electronics & Communication Engineering)  
79%  
Batch- 2012-16

## SPECIALIZATION

---

- Access Control Implementaion using HID Controllers, Morpho and Invixium Devices.
- CCTV Control Implementation using the IDCUBE's software.

## PROJECTS OVERVIEW

---

- **Acess Control Implementation** 1.5 Years

As an Engineer-Technical & Projects, I have supported the implementation of Access Control and CCTV projects of IDCUBE.

-I've implemented the Access Control System using Smart Card and Biometric over hardware from HID, Morpho, and Invixium.

In the projects, the hardware was integrated and configured with IDCUBE's Software to enable door and turnstile access control, emergency headcount, time & attendance, fire alarm system integration, visitor management, cafeteria management with smart card-based payment and reports at several key clients to include Defense Research & Development Organization (DRDO) Chandipur, BASF Asia Pacific (Thailand, Malaysia, China, India, Pakistan), Micron Singapore, State Bank of India (SBI)- Regional Headquarter Guwahati, Cairn India, and several other clients.

- I've supported in the implementation of CCTV based access control, Long Range authentication using the integration of IDCUBE's software with the hardware for key clients to include CMS Computers, American School of Doha-Qatar, TATA-ELXI Bangalore, etc.

-I've have played a crucial role in the design and implementation of the encoded smart card for higher secure usage.

-I've been successful in the conduct of the hardware & network quality checks and the coordination between the client and system integrator for a successful rollout.

## **ACHIEVEMENTS & AWARDS**

---

- President Award by Honourable Smt. Pratibha DeviSingh Patil in 2008.
- In the recognition of my contribution to the company, I got promoted/Incremented three times within 1.5 years (Salary+Designation).
- Appreciated by the clients many times for my contribution to the smooth functioning of the project.
- Played football at various National University Championships.
- Awarded by the Hon'ble State HRD Minister for Academic Excellence during Engineering.
- Regional level participation in playing various Musical instruments.
- Presented paper on Holographic Display in the "International Journal of Electrical & Electronics Engineers(IJEEE)"
- Presented paper on Touch Technology in the "National Journal of Advances in Electronics & Communication Engineering supported by Ministry of Human Resource Development, Government of India

## **ADDITIONAL RESPONSIBILITIES**

---

- Training of the newly joined team members.
- Supervision of the RMA (Return Merchandise Authorization Division) process.
- Have given many successful demonstrations for the sales division.
- Acted as an interface between the accounts team and client to get the Annual Maintenance Cost (AMC) done effectively on time.
