## **ACADEMIC QUALIFICATION**

- Masters of Technology in Environmental Engineering (7.9 CGPA, 2011), Malviya National Institute of Technology, Jaipur
- Bachelor of Engineering in Biotechnology (First class with Distinction, 2008), University of Rajasthan.

## **ACADEMIC PROJECT**

### **M.Tech. Dissertation “Assessment of Groundwater Pollution Due To Textile Industry In Pali Using GIS Tools”**

Pali has been identified as one of the most polluted areas in the country because of indiscriminate disposal of the industrial effluents generated from the textile industries into Bandi River resulting into pollution of the ground water in parts of Pali, Jodhpur and Jalore districts. The study has been conducted using GIS tools for estimating the variation in the groundwater quality across the study area (10 km area across the 65 km long Bandi River) of Pali city and trace the movement of the particle along groundwater.

## **TRAINING UNDERTAKEN**

- A 45 days industrial training on “Effect of Cadmium on Plants Tissues and Soil Rhizosphere” at Bhabha Atomic Research Center (B.A.R.C), Mumbai
- A 45 days industrial training on “Industrial Production of Antibiotics (Penicillin) and Effluent Treatment Plat” at Alembic Limited, Vadodara
- A 120 days industrial training on “Hygienisation of Domestic Waste by Gamma Radiation and Production of Biofertilizer” at SHRI facilities (unit of B.A.R.C), Vadodara

## **PROFESSIONAL SOFTWARES / INSTRUMENTS USED**

AutoCAD 2010  
Mapsource  
Google Earth

ArcGIS 9.3  
GPS  
Civil3D 2009
