Education

- **University Institute of Engineering and Technology Kurukshetra** 2017 - 2021
B.tech | Electronics and communication Engineering | 7.03
- **LBS GROUP OF INSTITUTIONS, KOTA** 2015 - 2016
Post Matric | 67
- **K V M SR SEC SCHOOL, MOHINDERGARH** 2012 - 2013
Matric | 8.6

Projects

- **Quiz-let App** Feb 2021 - May 2021
This app includes interview guidance questions for students to test their grasp over the rudiments of various subjects.
This app helps to give a better understanding of application -based approach in various domain.
- **Wireless Temperature Monitoring System** Jul 2020 - Dec 2020
Used to measure the thermal readings of a person wirelessly in covid-19 like scenarios and medical laboratories and in common use also.
- **Computer Networking Model** Jun 2020 - Jul 2020
Skills Used: OSI Model | TCP/IP Protocol
Computer network models are responsible for establishing a connection among the sender and receiver and transmitting the data. There are two computer network models i.e. OSI Model and TCP/IP Model on which the whole data communication process relies.

Trainings and Certificates

- **Data Science** Jul 2020 - Aug 2020
Internshala
Learn about concepts of Data Science.
- **Computer Networking** Jun 2020 - Jul 2020
NIELIT Kurukshetra
Learn about Computer networking.

● **Machine Learning**

Jun 2020 - Jul 2020

Internshala

Learn about concepts of ML.

● **Artificial Intelligence**

Jul 2019 - Aug 2019

Udemy

Learn about concepts of AI.
