12th

88.46%

2016

- **M.M.Piperdivala High School**

10th

81%

SKILLS

- Revit
- AutoCAD
- Soft computer skills

PROJECTS

- **Waste to Energy- A Step Towards Sustainable World**

I have completed my college project with four members of a group, in which we analysed which method is suitable in Vadodara for disposal of municipal solid waste (MSW). In that, we also gave a conclusion on how much energy recovery potential can be produced from MSW very effectively and which one of the methods gives us more energy.
