

RESUME

Objective:

To obtain a challenging position that will allow me to utilize my current skills and will also help me continue to develop and grow as a professional.

Computer Languages Known:

C, C++, Data Structures, Database, Java Basics, Angular, HTML, CSS, .Net Basics.

Personal Details:

Name: Chaudhari Ankita Ajay

Email-Id: ankitachaudhari687@gmail.com

Date of Birth: 02-05-1998

Mobile No: 8208998879

Gender: Female

Educational Details:

Branch: Electronics and Telecommunication Engineering.

Course	Year	Institution	Percentage/CGPA	Class / Grade
SSC(Maharashtra State Board)	2013	St. John English Medium School Rahata.	88.36	----
HSC(Maharashtra State Board)	2015	S.S.G.M College, Kopargaon.	72.62	----
B.E.	2019	Cummins College of Engineering for Women, Pune.	7.24	First Class
CDAC (PG-DAC)	2019	MET Bhujbal knowledge City, Nashik.	57.5	First Class

Project Work:

AREA OF SPECIALIZATION	ABOUT THE PROJECT
Communication	<p>Design of Microstrip Patch Antenna for Bandwidth Enhancement in X band as a part of BE Project.</p> <p>Description- The objective of the project is to design an X band Microstrip Patch antenna with Enhanced Bandwidth. Desired Antenna will be designed on a PCB and microstrip feedline will be used for excitation. For designing High Frequency Structural Simulator(HFSS) software will be used.</p>

Angular, Bootstrap, Java ,
Springboot, JSP, Oracle

QuickShift (Packers & Movers) as a part of **CDAC project**.
Description- Packers & Movers is an online platform for people who want to relocate. It provides services such as Household Shifting, Office Relocation and Vehicle Transportation .The main objective of our project is to automate the previous manual system which was very time consuming. This system generates online quotation through which customer gets to know estimation.

Extracurricular Activities:

- Participated in Workshop Held by Ericsson on Mobile Communication.
- Participated in a workshop on HTML, CSS and BOOTSTRAP in college.
- Attended a workshop on PCB designing and Fabrication held in College.

Hobbies:

- Photography, Trekking, Hand-made craft.

Additional Information:

- Organized and Consistent.
- Interested in learning new things.
- Team Player, can remain calm and perform under pressure.

I hereby declare that the above information is correct, true and complete to the best of my knowledge and belief.
